Again, The "Brown Family" Collection Part III holds a premium selection of carefully chosen and rare banknotes. Most of them are graded by PMG and LCG, each note has been carefully selected and proper for the grade attributed, some surprises and attractive issues. The "Wildlife Museum Collection" offers Several top graded banknotes. The two Jewels of this collection is a 1923 \$1 banknote set and a 1935 \$500 Specimen in Gem UNC-66. Both items are excessively rare and desirable. A good assortment of tokens is listed in session 3. This fantastic 2024 RCNA Auction sale event should make some spectacular moments and active evenings of auctioning. We expect this to be one of the most prestigious numismatic events of 2024 featuring several rarities never offered to the public.

Our sincere thanks to the consignors for entrusting us with the fantastic task of selling their collections. We hope you enjoy this catalogue as much as we enjoyed making it. This should be a memorable sale!

*Numismatically Yours,
Marc and Eric,

55. This is an "UNPARALLELED OPPORTUNITY" to own one of the finest ever assembled set of 1923 \$1 banknotes. The uniqueness of this offering can't be over-looked on multiple fronts: A 18-note set that opens at a price point well below a 1935 \$500 in VG condition. Not to mention that the populations of some condition rarities in this set, are far more difficult to acquire than the 1935 \$1000 even in Superb Gem Mint State-65. While the set has a technical trends valuation of approximately 100k, we all appreciate that with population number 1's to top 10's, premium over trends is expected. With the above clearly illustrating their excellent value, High quality Dominion of Canada banknotes in general and relative to their populations, remain incredibly undervalued. A potential buyer is well positioned to purchase now and retain ownership of a historical set that deserves greater catalog valuations in the rarer grade points.

THE NOTES!

Our highlights must start with the DC-25k "Purple Seal". Choice Uncirculated-64. A near Gem example. Among the Best of The Best, this is a pristine issue with nice eye appeal, good margins and superb embossing. A splendid note! This example has realized \$9520, well over estimate in one of our previous auction sale. Regardless, it was put away, beautifully preserved and over 100 years finds itself to be one of the finest known.

- The DC-25L — sister note, the "Purple Seal" Campbell-Clark signatures, Choice Extra Fine-45, also among the solo finest and known by ardent followers of the series to be impossible to acquire in AU or + condition.
- The DC-25iT — The ultra rare "Test Note" Very Fine-20, among the finest known examples.
- The DC-25m — McCavours-Saunders in Choice About Uncirculated-58, among the finest known examples.
- The DC-25o — with Prefix "F" in Choice Uncirculated-63. Excessively scarce and among the finest known examples.
- The DC-25a — Very Fine-30 Hyndman-Saunders signatures.
- And all other different seals in Choice Uncirculated-64 to Gem Uncirculated-67.

We are an auction house. We buy and sell banknotes and enjoy the time they are in our hands before being passed along. We feel obligated to offer this set to our loyal collector base, however the temptation to buy this ourselves, not to public auction - and put this away is intense. Its completeness, rarity across the board, the eye appeal and of course, the history (provided to a new owner) is special. We see great value. It won't be broken up. It might realize more being sold separately, but it is simply too historically important. This set could sell at the opening; however, it could also sell at twice that. It could fit into a Provincial museum or a personal collection or even, a speculator's investment holdings. We can imagine it donated to a museum as well. But aside from what we can imagine what we HOPE is, it finds a home with a collector. To enjoy generation to generation and when it is ready to be traded again in fifty years, that collector discusses it with our family — who may not let the chance to own it pass by again.

Boston Marathon Gold Medal

A National Treasure

380. Boston Marathon Gold Medal; Rare US Gold Medal offered to the Winner of the 1937 Boston Marathon, Walter Young - a relatively unknown runner from Verdun Quebec, Canada he defeated the second place runner, John A. Kelley, by over six minutes and is one of only a handful of Canadian to have won this prestigious race. The 1937 Boston Marathon took place during a period of heightened international tension, with the threat of World War II looming large. Despite these uncertain times, Young's victory provided a sense of inspiration and hope to many. He was born March 14, 1913 in Lime Ridge, Quebec. Medal shows date 1937 enameled, w/1st Prize inscribed on back but no name attribution.

That being said all corresponds to Walter Young and his historical win. Young did return to win the Bronze medal in 1939. Included with in this lot, is a vintage American Waltham Pocket Watch Openface (movement number 2830921) dating 1934, plated 10kt Gold. Inscribed on back "1936 Yonkers Marathon". The typed story pictured/supplied in the lot indicates that this was offered to Young as a prize for a 3rd place finish in the 1936 North Medford Club 20 mile race. A great historical story with both Canadian and American importance. The Medal should hold significant value to collectors due to the prestige and history associated with the race. Weight of medal 38,3 grs.

Medals

898. The Verendrye Plate Replica (lead); also recognized as the Dakota Plate. 270 yrs ago French explorers, brothers named Louis-Joseph and François La Verendrye buried a lead plate on a hill that would be later known as Fort Pierre South Dakota. Historical facts indicate that they are considered as the first white men to set foot in South Dakota. This Plate would eventually be found in 1913 by Ethel Parish and friends playing on the hill at the time. The plate depicts The French Armouries as well as a Latin inscription naming The King Louis XV du Marquis de Beauharnois & Lieutenant Pierre de La Verendrye. Considered to be an early replica, this example was found in the belonging of The Honourable Sir François Langelier - Lieutenant Governor of Quebec. This artifact is significant because it establishes where and when European explorers made their first documented visit to South Dakota. Holed in 2 corners, this is an exceptional and historical item.

- This is an Internet, Live Internet, email, phone and mail auction sale conducted. Information provided by The Canadian Numismatic Company on our web site and in this catalog is strictly AS IS and/or strictly an opinion. No warranty given.
Bids are per lot. No lots will be broken. Auction sales are not approval sales. All lots shall be sold to the highest bidder as determined by the auctioneer. If any dispute arises during the sale, the auctioneer has the right to reopen the lot and put it up for sale again. The auctioneer's decision will be final. In the case of identical (tied) bids during our Live Auctions, the earliest received bid shall take priority. In the case of a tie bid during our Sales, between a mail/fax bid and an Internet bid, the Internet bid will take precedence and obtain the lot. PLEASE CONTACT US IF YOU REQUIRE FURTHER EXPLANATION.
No BUY bids or unlimited bids will be accepted. Bids may be made by mail, email, phone or place your bids on our website, either before the sale or by bidding online during the sessions. If you have yet to do so, take a moment to familiarize yourself with our Internet bidding platform program, an improved online bidding experience which allows bidders to watch and participate in the auction in real time through a live feed.

For our established customers, your lots are shipped when your check is received. For new customers, your check must clear before shipping lots. If you wish to receive your lots faster, you might consider a certified check or you can wire your payment directly to our Bank. All auction invoices should be received and paid for in full no later than 12 days following the auction date. Invoices not paid in full within 30 days will be liable to a 2% interest fee, charged on a monthly basis. This fee will commence as of the initial invoice date and continue until paid for in full. If the Auctioneer requires use of an attorney for payment resolution, the buyer agrees to pay all attorney fees related to the case.
- The auctioneer will open the bidding at the higher of approximately 10% above the second highest mail/email bid received or at the current internet leading bid, or the consignor's reserve. All bids received will be reduced whenever possible. If there are no bids received or reserve, the auctioneer will open bidding at the opening bid. In the PDF/hard copy catalogue, the opening bid is indicated with the price in RED, bracketed right before the estimate prices. Opening bids are in fact not Reserve bids by default. In some cases, consignors will place reserve bids up and above the actual opening bid designated by us. This is why in some cases the Auctioneer will call lots sold to the book even though the Opening Bid has been met or superseded. In these cases the lots are considered unsold and usually returned to the consignor. We reserve the right to bid on behalf of the consignors at any time during the auction sale and without notice to the bidders and to further protect any auction lots that may carry a low reserve/opening bid by bidding on the lot from the sale at any time during the bidding process. (Face value, gold & silver content etc.) Any item offered in this auction sale may be subject to a reserve price, which is the minimum price acceptable to the sellers. The auctioneer reserves the right to withdraw any lot for any reason at any time prior to its sale. In a case of a significant event which, in the judgement of the auctioneer reserves the right to cancel or postpone this sale.
- Prices are in Canadian funds. Bidding in this auction will be in Canadian funds. Mail bids received from USA customers will be converted at the exchange rates of the sale's date rate.
- The estimates listed are taken from the Canadian Coin News, Charlton catalogs, Canadian Dealers News letter and retail prices, e-bay sales, Cornwell report and/ or the actual market selling/ asking prices. Key dates and Highest grade material will generally command a premium and should sell close to and/ or above the estimates. Our estimates are fair and reasonable, please bid accordingly. No lot should sell less than 50% of the low estimates. Usually, with a bid of 80% of the highest estimate, you have a fair chance of succeeding, with a bid of 100% of the highest estimate, you will be likely to succeed. For special, popular and rare lots, estimates can be largely exceeded.
- The cataloguer has taken every reasonable measure to ensure that all of the lots in this sale are as described and genuine. All raw coins and banknotes have been graded by the cataloguer or the auction house which represent our best professional opinion. To grade coins and banknotes, we use Canadian grading standards, 42 years of experience and good conscience. Les factures sont converties comme il se doit sur demande. Si vous choisissez le paiement par carte de crédit, soyez avisé que les frais administratifs ne sont pas remboursables. Les enchérisseurs n'ayant pas de relation d'affaires établie avec la Compagnie canadienne de numismatique devront fournir des références de crédit avant la vente. Pour nos enchérisseurs déjà établis, vos lots sont envoyés lorsque votre chèque a été reçu. Pour les nouveaux clients, vos chèques doivent être encaissés avant l'envoi de vos items. Si vous désirez recevoir vos lots plus rapidement, considérez le paiement par chèque certifié ou par transfert bancaire par câble. Toutes les factures doivent être reçues et payées en intégralité au plus tard 12 jours après la date de la vente aux enchères. Les factures non payées dans les 30 jours seront soumises à des taux d'intérêt de 2% facturés mensuellement. Ces frais débiteront en date de la facture initiale et se poursuivront jusqu'à ce que le montant de la facture ait été payé en totalité. Si l'encan requiert l'emploi d'un avocat pour la résolution de paiements, l'enchérisseur s'engage à payer tout frais juridique relié au cas.
- L'encan ouvrira la mise approximativement à 10% au-dessus de la deuxième plus haute mise reçue ou de la réserve déterminée par le consignataire. Toutes les mises reçues seront réduites si possible. Ne craignez donc pas de miser votre maximum. Si aucune mise n'est reçue ou si le lot est sans réserve, l'encan ouvrira les enchères à la mise initiale indiquée par le prix en ROUGE mis entre parenthèses devant la valeur du lot dans le catalogue. Les Mises d'Ouverture; Les mises d'Ouverture ne représentent pas toujours les Réserves établies par les consignataires. Dans certains cas, les consignataires choisiront une réserve plus élevée que la mise d'ouverture que nous avons déterminée. Il s'agit du montant déterminé avant les prix estimés en rouge. C'est pourquoi, dans certains cas, l'encan appellera des lots vendus au livre même si la mise d'ouverture a été atteinte ou excédée. Dans ces cas, les lots sont considérés comme invendus et habituellement retournés au consignataire. L'encan se réserve le droit de retirer un lot à tout moment pour toute raison avant la vente. Dans le cas d'un événement imprévu d'importance significative, l'encan se réserve le droit d'annuler ou le remettre la vente.
- Les prix sont affichés en dollar canadien. Les mises dans cet encan seront effectuées en dollar canadien. Les mises reçues par la poste provenant des États-Unis seront converties au taux de change en vigueur la journée de la vente.
- Les estimations listées proviennent du Canadian Coin News, des catalogues Charlton, du Canadian Dealers Newsletter, des prix au détail, des ventes e-Bay, du Cornwall report et/ou des prix du marché de l'offre et la demande. Les dates clé et le matériel de grande valeur requerront généralement une prime et devraient se vendre près et/ou au-delà des estimations. Nos estimations sont justes et raisonnables, veuillez miser en conséquence. Aucun lot ne devrait se vendre à moins de 50% des estimations. Avec une offre de 80% de la plus haute estimation, vous avez de bonnes chances de remporter la mise. Avec une offre de 100% de la plus haute estimation, vous remporterez probablement la mise. Pour les items très rares, les estimées peuvent être largement dépassés.
- Le catalogueur a pris toutes les mesures possibles pour assurer que tous les lots de cette vente soient authentiques et tels que décrits dans le catalogue. Tous les billets de banque et les pièces de monnaie ont été gradés par le catalogueur ou la maison d'encan, ce qui représente notre meilleure opinion professionnelle. Pour grader les billets et les pièces, nous utilisons les standards canadiens de gradation, nos 40 ans d'expérience et notre bonne conscience. Toutefois, la gradation reste une description subjective selon l'opinion du catalogueur ou de la maison d'encan. Des différences d'opinion quant à la gradation et à l'attrait visuel de la monnaie surviennent souvent parmi les experts. La frappe et l'état de conservation de la monnaie sont souvent débattus. La Compagnie canadienne de numismatique agit en tant qu'agent entre les consignataires et les acheteurs. La Compagnie canadienne de numismatique ne garantit pas que les pièces ou les billets de banque catalogués rencontreront les standards ou les grades de tiers externes (compagnies de gradation). Aucune garantie, autant explicite qu'implicite. Les items sont tels que vus dans le catalogue, aucune garantie n'est offerte. Nous ne sommes pas responsables et nous renonçons à toute responsabilité reliée à des pertes financières et/ou des frais accumulés durant la vente d'items. Nous ne garantissons pas non plus que les items gradés par un tiers obtiendront les mêmes grades s'ils sont soumis à une évaluation de gradation différente ou s'ils sont réévalués par la même compagnie tierce. Le retour d'items certifiés n'est pas autorisé.
- Tous les lots demeureront chez la maison d'encan jusqu'à ce que l'acheteur ait payé en totalité le montant des lots. Toutefois, après la vente, les lots sont détenus au risque de l'acheteur.
- Les taxes de vente, si applicables, seront ajoutées au montant total de chaque facture de l'acheteur. Pour les lots envoyés au Canada, la TPS/TVH appropriée sera facturée. Pour tous les lots envoyés au Québec, la TVQ de 9,975% sera facturée. Pour tous les lots envoyés aux États-Unis ou outre-mer, aucune taxe ne sera facturée. La Compagnie canadienne de numismatique n'est pas responsable des dédouanements, des frais de douanes ou des coûts de transport reliés aux colis. Tous les coûts reliés à ces situations relèvent uniquement de la responsabilité du client. La Compagnie canadienne de numismatique ne fournit pas de lettre de garantie, ni de crédit. Si le client demande que l'envoi de ses gains ou si des colis doivent être retournés à un endroit à l'extérieur du Canada, des taxes et des frais de douanes, dont la taxe sur la valeur ajoutée (TVA), peuvent s'appliquer dépendamment du pays d'importation. Le client, en acceptant ces modalités, reconnaît que toute taxe et tout frais de douanes, incluant les TVAs, ne relèvent que de sa responsabilité et que la Compagnie canadienne de numismatique ne sera pas tenue responsable de ces frais.
- Les frais d'expédition et de la couverture d'assurance seront facturés aux enchérisseurs fructueux. La couverture d'assurance sera facturée à 0.00499% (0.49\$ pour un achat de 100\$). Si refusée, le colis sera envoyé au risque de l'acheteur. Toutes les expéditions outre-mer sont envoyées au risque de l'acheteur.
- Les enchérisseurs misant par la poste peuvent retourner des lots décrits incorrectement pour un remboursement complet dans les 5 jours suivant la réception des lots (AUCUN RETOUR pour les items certifiés, AUCUN RETOUR pour des lots en vrac et des lots contenant plus de 5 items). AUCUN RETOUR ne sera accepté, et ce PEU IMPORTE LA RAISON, après le 8 août, 2024 puisque les consignataires doivent être payés. AUCUNE EXCEPTION.
- La compagnie canadienne de numismatique agit seulement à titre d'agent pour les consignataires et ne fait aucune garantie indépendante au titre. La Compagnie canadienne de numismatique renonce à toute responsabilité pour des dommages, des faux frais ou autres survenant lors ou en lien avec la vente d'un bien de la Compagnie canadienne de numismatique à un acheteur. La Compagnie canadienne de numismatique rappelle à tous ses enchérisseurs que la gradation, l'attribution et la méthode de manufacture sont cruciales à la détermination de la valeur de tout item numismatique.
